

As a result of a resolution approved at the 2009 AGM, the following is a list of the top 10 basketball teams in the 1A - 4A categories. This list will be posted two times during the season. The 1A – 4A top 10 was compiled by an independent group of volunteers from the Association. This ranking is interest based and only includes the teams that have submitted their results to the Association. The top 10 ranking will assist the seeding of conference/regional/provincial playoffs scheduled to begin March 5, 2010, but will not be the sole determiner. The seeding of the conference/regional/provincial playoffs are conducted by the SHSAA office using the submitted seeding forms (Feb. 26, 2010) as well as the coaches seeding suggestions. Remember that the seeding forms must be completed and submitted by February 26, 2010. See the SHSAA Handbook, the January newsletter and the SHSAA web site for the seeding form.

Should you have any questions please contact the SHSAA office.
