

**North Central District Athletic Association Meeting: January 17, 2008**  
**St. Mary High school**

**1. Welcome & Introduction of people present**

The North Central District Athletic Association had representation from the following schools: Birch Hills, Carlton, St. Louis, St. Mary, Sturgeon Lake, Big River, Churchill (La Ronge), Debden, Senator Myles Venne, Kinistino, Shellbrook & Meath Park, Canwood, Family Church Academy

**2. Minutes from September Meeting**

Minutes were read by Secretary Chantelle LaMotte. No business arising. Shannon Vey moves to adopt the September minutes. Seconded by Tracy Frisky. Motion carried.

**3. Financial Report: Adam Svenkeson**

Motion to adopt by Adam Svenkeson, seconded by Bob Coffin. Motion carried. Some discussion regarding the relevance of the NCDAA website & cost to operate.

**4. Official's Report: Jackie Packett**

Thank you to the soccer regional hosts. Some issues with officials were safety of fields, directions to the fields and proper paperwork.

Soccer fees may be changing, SHSAA matching those of the provincial body

Volleyball- our area hosted few Regionals this year.

Basketball- Regional assigning shall be done through Jackie. Letter of concern to SHSAA regarding a parent refereeing daughter's games at Regionals. Won't happen this year.

Football- local officials have an association in PA & area formed to try & build on for 3A & 6 man football.

**5. Fall Activities**

**District Sand Golf (Canwood) & District Golf in Shellbrook**

Both reportedly ran very well

**Cross Country (Districts & Provincials at Little Red River Park)**

Report by commissioner Don Laing

Thanks to the volunteers from all schools who helped out

Recommendations

1. Signage is a big issue and the marking of the trail ... use the power tags on wire that stick into the ground, flagging tape or spray paint

2. Need 15 or so volunteers, gr. 12 students and teachers

3. Need to name a district coach at the fall meeting that will take responsibility for uniforms and entries, communication with schools that go from districts to provincials

4. The printing of immediate, accurate and clearly understood results helps all participants have an enjoyable experience. Computer is great but not necessary at the district level. Stickers and extras if it is wet
