

BASKETBALL GIRLS RANKING #1

As a result of a resolution approved at the 2009 AGM, the following is a list of the top 10 basketball teams in the 1A - 4A categories. This list will be posted twice during the season. The 1A – 4A top 10 was compiled by an independent group of volunteers from the Association. This ranking is interest based and only includes the teams that have submitted their results to the Association.

The top 10 ranking will not have any bearing on the seeding of conference/regional/provincial playoffs scheduled to begin March 9, 2012. Remember that the SHSAA seeding forms must be completed and submitted by March 2, 2012. See the January newsletter for the seeding form.

Should you have any questions please contact the SHSAA office.
