RE: FINALIZED SOCCER CONFERENCES – Revised Oct. 4

The final revision has been completed based on the entries submitted by schools and enrolment declarations as of September 30, 2006.

You must contact the host school to receive details of the conference playoff. The conference host will also contact all teams in the playoff to relay information. The SHSAA has indicated that the conference tournament can take place on or before Oct. 14. The host commissioner must check with each school that is involved in their conference tournament as to availability if the host wishes to move the tournament from the Oct. 13 & 14 weekend. If one or more teams are not able to play games earlier then the tournament will take place on Oct. 13 & 14.
