2011 PROVINCIAL VOLLEYBALL CHAMPIONSHIPS

This information will include all preliminary material that teams need for the volleyball playoffs leading to the provincial championship. Schedules and information are found in the SHSAA handbook. The SHSAA office will seed each tournament. **Please notify the SHSAA office of the conference and/or regional champions and runners-up immediately following the tournament.**

- **Seeding** conference, regional and provincial tournaments is important to the success of the events. All teams **MUST** submit the results of their season to the **SHSAA office before October 28th**. Include results of all matches played up to that date. [SHSAA website - Volleyball Seeding Form E-16](#)
- All provincial tournaments (1A – 5A) will follow the ten-team 2 pools – 2 courts schedule found in the SHSAA handbook. Some modification of the draw times may be necessary to accommodate host plans. The SHSAA office must approve changes to the draw.
- **Accommodations** in some locations may be limited. If your championship is near a city with a Comfort Inn, blocks of rooms have been set aside for the playoff. You may also want to consider the Saskatoon Inn, Regina Inn and Quality Hotels. Check the Accommodations link on our webpage [SHSAA website - Accommodations](#).
- **Results** for conference, regional and provincial events will be posted on the SHSAA web site (see [SHSAA - Results](#)) as the events occur.

PLAYOFFS LEADING TO THE PROVINCIAL CHAMPIONSHIP: (draw templates are listed later in this document)

CONFERENCE CHAMPIONSHIP

All teams registered for volleyball will be placed in one of four regions which are then divided into conferences. Each conference playoff will determine representatives advancing to the regional competition. Regions with **seven or fewer teams** will advance directly to a regional playoff with no conference playoff conducted. Regions with **eight to ten teams** will be divided into two conference tournaments each advancing three teams to the regional tournament. Regions with **eleven or more teams** will be divided into three conference tournaments each advancing two teams to the regional tournament.

The projected conferences and regions are posted on the website. The lists are according to last year's entries in the playoffs and will be subject to change based on registration of teams this year. The District designated to host will need to declare a host school and notify the SHSAA office. After September 30th enrolment declarations are completed, schools that have a change of 25% or more in enrolment that would cause the school to change classification from the previous year will be reclassified and placed in an appropriate conference or region.

Conference playoffs may consist of the following draws: **less than six teams** – the conference tournament will consist of a full round-robin tournament with no playoff round. The **6-team conference** tournament will consist of two pools of 3, with the top two teams advancing to the playoff round. All of these conference tournaments will be played as one-day events. A **seven or eight team conference** tournament will consist of two pools, with the top 2 teams in each pool advancing to the playoff round. These conference tournaments will be played as 1.5 day events. Details for the various draws will be listed on the SHSAA web site.

In the 1A – 4A classifications, conference playoff for girls will be held on or before November 5th. Conference playoffs for boys will be held on or before November 12th. In the 5A classification no conference playoffs will be held and all teams will advance to either the city league playoff or the north/south regional tournament to determine the provincial representatives.

REGIONAL CHAMPIONSHIP

Conferences will advance two or three teams as noted above to the regional level of playoffs. Regional tournaments, in most instances, will be six-team tournaments played as two pools of 3 teams, with the top two teams from each pool advancing to a playoff round that will determine the two teams to advance to the provincial championship tournament. In some instances, when a conference playoff is not necessary, the regional will be conducted as designed by the SHSAA office in order to determine two representatives to advance to the provincial championship tournament.

The following districts have been designated to host the regional tournament. There is no provision for a host team in any of the regional tournaments; therefore, the host locations will be determined once the conference championships have been completed. Each District is responsible to ensure a host for the regional event with a suitable venue and tournament committee. The District should designate a host school from the teams that advance to the regional playoffs. In the event that a District designated to host a regional does not have any teams that qualify from the conference playoffs, the SHSAA office will select the regional site from the qualified teams.

The 5A north and south regional tournaments will each advance three teams to the provincial championship through a draw designed by the SHSAA office.
