

BASKETBALL RANKING #2

As a result of a resolution approved at the 2008 AGM, the following is a list of the top 10 basketball teams in the 1A - 4A categories. This list will be posted three times during the season. The 1A – 4A top 10 was compiled by an independent group of volunteers from the Association. This ranking is interest based and only includes the teams that have submitted their results to the Association. The top 10 ranking will not have any bearing on the seeding of conference/regional/provincial playoffs scheduled to begin March 6, 2009. Remember that the seeding forms must be completed and submitted by February 27, 2009. See the January newsletter for the seeding form.

Should you have any questions please contact the SHSAA office.
