

SASKATCHEWAN HIGH SCHOOLS ATHLETIC ASSOCIATION

2010 Annual General Meeting Resolutions

Bylaws
10/02/01

WHEREAS, there have been situations where a Grade 12 student has transferred to a new school in Semester One, competed in an SHSAA activity and at the end of the sports season, or prior to the end of the school year, transferred back to their original school to graduate, thus creating unfair situations for the student-athletes at both schools, and, in addition, possibly creating an unfair situation for the individuals or teams the transferring student-athlete would compete against;

BE IT RESOLVED that the bylaw be changed to add the following:

ELIGIBILITY TO REPRESENT SCHOOL TEAMS

GRADE TWELVE TRANSFERS

Any Grade Twelve student-athlete who makes a transfer, which qualifies under the conditions of the SHSAA Transfer Policy, who then transfers back to their original school, at any time prior to the end of that school year, without meeting the conditions of options 1 & 2 or an appeal of the SHSAA Transfer Policy, will be required to:

- a) *If they participated in Individual Sports – return any awards or medals which they won and those athletes who finished below them be moved up one position.*
- b) *If they participated in Team sports – the team would be required to return all awards, medals, banners and trophies won by any of the school teams of which that individual was a member that school year. Those teams who finished behind them would be moved up one position in whatever competition in which they competed.*
