RE: **2011 COACHES SYMPOSIUM**

The SHSAA Coaches Symposium will be held Monday and Tuesday August 15<sup>th</sup> & 16<sup>th</sup>, 2011 at **Aden Bowman Collegiate** in Saskatoon.

- The Symposium committee has made an effort to bring in quality presenters for each sport (**basketball, badminton, track, and volleyball**).
- The Symposium is enhanced by the opportunity to attend **pre-conference sessions** in:
  - Sport Taping
  - NCCP Introduction to Competition – Games Module for Basketball
  - Volleyball NCCP Level 1 Technical course
  - Soccer NCCP Community Coach – technical clinic
  - Officials' education
    - Basketball and Volleyball
  - NCCP multi-sport coach training
    - Making Ethical Decisions module
    - Planning a Practice module
- The program is rounded out with opportunities in non-specific sport areas such as: **developing core strength, sport psychology, weight room training, and sport nutrition**.

This year the SHSAA also welcomes the **Coaches Association of Saskatchewan (CAS)** on board as a sponsor and partner of the symposium. CAS representatives will be in attendance and will provide information on how their association can provide valuable service to high school coaches. ***Coaches attending this years' symposium will receive a one year complimentary membership in the Coaches Association of Saskatchewan.***

The SHSAA believes the Symposium is an excellent opportunity for coaches from a school to participate together in a professional development opportunity that allows coaches of different activities to gather in one location. Each of the fourteen SHSAA districts is offering incentives to support coaches who want to attend. It is our hope that school coaches will make an attempt to attend. This is the tenth consecutive year of the Symposium.

Please feel free to use the brochure from the SHSAA web site ([www.shsaa.ca](http://www.shsaa.ca)). Please consult the SHSAA office or web site if you require further information. Contact your District President regarding incentive programs and opportunities for support. Early registration deadline is June 30<sup>th</sup>.

Thank you for your continued interest in High School athletics.

Sincerely,

Lyle McKellar  
Assistant Executive Director, SHSAA
