## **Basketball League Funding**

1. **League Play.** Transportation, coach's meals, and official's costs will be funded.
2. **Tournament Play.** If you have no league play, your expenses for three road tournaments will be covered. Officials will be covered for one host tournament and transportation and coach's meals for the road tournaments. If you host a tournament, invitations must be given to Prairie South schools first and then filled by non-PSSD schools. All road tournaments must be within Prairie South School Division boundaries or within a radius of 200 km of your school. If tournaments outside PSSD are further than 200 km, the school will be responsible for the excess mileage cost. **To qualify for funding you must have Roger Morgan add your tournament to the approved schedule prior to participating.**
3. **League/Tournament Play.** If your league has less than 10 games, you can add tournaments to your schedule. Each tournament counts as 3 games. You may add tournaments until your schedule meets or exceeds 10 games.

### **Funding**

1. Approved league games, tournaments, bantam playoffs: officials, transportation and coaches meals are covered centrally
2. SHSAA conference, regional and provincial playoffs: transportation, accommodation, and coaches meals will be covered centrally.
3. All other exhibition games, exhibition tournaments are the fiscal responsibility of the school.

## **Funding Explanation (Detailed)**

### 1. League Games

- All league games listed will be funded for transportation for the visiting team and for officials for the host team.

### 2. Additional Tournament funding

- You will be approved for tournaments, based on the following
  - \* all teams will be funded for a maximum of ten games through the season (a tournament counts as 3 games)
  - \* if you have 2 league games, you will be funded for an additional three tournaments.
  - \* if you have a 4 to 6 game league schedule, you will be funded for two tournaments
- All tournaments and games must be approved BEFORE playing to receive financial support from Prairie South. Please forward your team schedule to me. We can edit this on an ongoing basis, but please keep the communication flowing.

### 3. League Game Dates

- Feel free to make changes to the schedule in consultation with your opponent. Please inform me of any date changes.

The schedule is now approved for play. We will continue to edit the schedule and keep an up to date schedule on the South Central Web Page in the Basketball Section.
