Business arising from the minutes:

- Reminder that the SHSAA Women's Rep. position is open. People going to the SHSAA AGM please note that the dress on Thursday evening is semi formal.
- One of the forward planning sessions at the SHSAA AGM is official recruitment and retention. If you have ideas or questions that we can put forth to those small groups please forward to Larry or Roger as they are putting discussion questions together.
- A Coaches directory for all of our sports and coaches is a good project for the fall. We can put it on our website.

- 2 applications have been received for the SHSAA coach's symposium, how we divide the money. Traditionally it is first come first serve. Suggestion to come up with a process for splitting the money. SCDAAs pay the symposium fee.

Motion to accept minutes as posted: S. Hutchinson

CARRIED

3. **Financial report** (BM)

As circulated and presented by Brad.

4. **Special reports and presentations**

a. **District athletic commissioners**

Larry:

- No RVCII football league: RVCII will co-op with Central

Discussion on start times for football, not consistent in the South Central

Contacted Caronport and Lumsden to see about entering MJ 12 man league

- Provincial Cross country PA rooms are booked at the Days Inn
- Provincial Golf rooms are booked in Estevan at the Days Inn

Roger:

- Track Meet wonderful experience with SC travelling and going together. Lots of orange on the podium. It was a very positive experience.
- Coaches Directory: Vital new thing we need to do to put together for the fall put on the agenda for the Fall meeting. Will have some forms ready so that we can get them put together.
- Prov. Track next year: Saskatoon or maybe MJ. We will know by the end of June.

b. **LEADS representative: Jeff Finell**

On Behalf of Joan and myself, I'd like to relay our appreciation and congrats on how successful our first year together has been.

For those that are leaving a thank you for all you've done.

5. **Old or unfinished business**

a. Constitutional updates/corrections

- i. Will be discussed at the AGM section of the meeting

b. Communication

- i. Web site (RM) Are there things missing? Let Roger know if there are inconsistencies or things to add.

c. SHSAA/SCDAA awards – Ryan: These were selected at the May SCDAAs executive meeting. Most of these awards will be presented at our supper break and a couple will be done at the SHSAA AGM.

- d. Interschool competition (leagues etc.) within SCDA – was discussed at a SCDA executive meeting in May, and subsequent Moose Jaw section coaches meetings in May and June (see SCDA AGM resolutions 2. e 1 and 2. h 1) Resolution will be coming up during the AGM
- e. SHSAA AGM delegate update:
Have had to make some changes: Brent Adams replaced by Blake Buettner. All other delegates have stayed the same.

6. Officials report (JL/LS)

Report circulated: Jody

Moose Jaw will host a Volleyball officials clinics:

Wed. Sept 5/07 @ Peacock 7:00 PM in the Welding shop Clayton Sjoberg.

Central Butte: Tuesday Sept 4 7:00

Gravelbourg: Thurs Sept 6 7:00

Football Officials: Everyone is different. Moose Jaw usually gives the officials association \$150.00 and they use it to upgrade. MJ Barry Gunther does the clinics. They have been asked to let the other S.C. football leagues know when the clinic is so they may attend. Roger can post the date on the website

Central Butte would like one but hard to pick because of harvest. They will plan on their own.

Assiniboia: No

Track: Haven't heard any negatives. There shouldn't be peoples having to do double duty working with that many people at the meets. Once we know who our coaches are then we can have them sign up for work times so it is fair. This can be part of the coaches meetings. Everybody should take one shift.

District Volleyball: Book your refs asap call Jody if you need help.

7. Spring Activities

- a. **Badminton:** Moose Jaw: Good, Take initiative to create local section tournaments for next year.

Tentative date for MJ invitational next year. 24 teams Sat. April 12, 2008

- i. Section/league results
- ii. District results (BA - bantam, JL - senior)
They are on line. Thanks to Roger for changing the draw frequently.
- iii. Regional/Provincial results (RM) Well done The winners are listed on the summary attached to the agenda.
Roger did a great job on listing the results.
Massive amount of entry changes. Not sure what to do about that in the future.

- b. **Track & Field**

- i. Section meet comments (LS/RM) Larry: thought everything went well. Have walkie talkies for each event. Larry will order enough for next year
 - We all used the same equipment and everything was left in good repair and neat. Appreciated that people took the time to leave the track and equipment in good order.
 - The new program that Roger order worked well.
 - Do we need to have lunch breaks or now that teachers have worked it they understand how it works.
 - Do we need more supervision some of our athletes were kicked out of the pool on Sat. Night.
 - Roger: Records: worthwhile keeping
 - Need to revisit advancing 2 or 3? What is our preference, there are different models around. Time wise, we could handle 3
 - Think about moving bantam and have them participate in the MJ grade 7 & 8 meet.
 - Have 3 advance to our conference meet.
 - Section decision on how many advanced.
 - Maybe have some of our sections go to another i.e. Avonlea to the north.
 - SE SW pursuing a district meet out of MJ.

Huge thank you to Roger and Larry for all the work and awesome support at the Prov. Track.

- ii. District meet comments (LS/RM)
 1. Distribution of aggregate plaques (RM)
- iii. Provincial results (RM) distributed and posted on website
- iv. Thanks to Roger and Larry for all of the work they did planning and organizing the section and district meets, as well as the travel and accommodation details for our team at provincials, while still performing their SHSAA executive duties in Yorkton.

c. Golf

- i. Exhibition tournament – Moose Jaw (MH) Went smooth
- ii. We are still thinking about hosting one in the rural one. We should have a couple of golf tournaments in the rural if we can get to a couple of tournaments and get the kids started so they can practice over the summer and then are ready for the conference meets.

We are missing some great opportunities in getting our athletes involved in golf.

d. Resolutions for SCDA spring activities

- i. WHEREAS two teams can advance through all levels of competition in badminton...BE IT RESOLVED that all schools are permitted a minimum of two entries in each category in section badminton tournaments.

Doug Charabin/Ron Ficzel

This is a section item and we should leave it up to the section to decide.

DEFEATED

8. New Business

- a. Polycam for athletic meetings? Will look into this further in the fall for some of our athletic meetings. (Video/audio conference)

If we are changing the way we do meetings than this might be a viable

Can have multiple sites and there is no cost. Would work well for coaches meetings also

- b. SHSAA AGM district gift:

Motion: That we purchase a one nights stay at the MJ spa for the SHSAA AGM gift.

Verge/Creasy

CARRIED
