Extra Information

1. Additional League Games Outside This Schedule

Due to significant driving distances and a shortage of bantam boys teams in the North Section. The following teams will be funded for additional games.

Central Butte Boys – one additional league games (suggestion Loreburn)

The rationale for this is that it makes more sense to arrange for a game against a close geographic rival (i.e. Craik to Davidson) rather than force a 3 hour round trip on a weeknight just to fill out a schedule (i.e. Craik to Rouleau)

If you choose to arrange these additional games, please send the dates to Roger Morgan, so he can add it to the schedule and have them submitted to approval to PSSD.

2. Game Order

Format of games will be girls play first, unless communicated by the host in advance. If there are two girls teams and one boys team, order will be girls-boys-girls.

3. Best of 3 or Best of 5 (Minimum Expectation)

One gender team vs one gender team – Best of 5

One boys team one girls team vs one boys team, one girls team – Play 3 games.

If there are more than 2 teams from one school resulting in at least 3 matches – Best of 3 Bantam games can go extremely quickly; you may wish to play additional games up to a one hour time limit if you see that the games. Coaches may play additional games beyond the minimum requirement if both coaches agree to.

4. Changing the Schedule

You are welcome to make changes to the schedule in consultation with your opponent. Please inform Roger Morgan of any scheduling changes to include changes in the schedule submitted for approval

5. Bussing for PSSD Schools

If your team(s) include 9 or more athletes, you are expected to use school buses. If you are unable to arrange for a bus or driver, email Ryan Boughen in advance to approve the usage of private vehicles. If prior arrangements have been made, you may still submit mileage bills. If advanced notice hasn't been provided, mileage claims will not be paid.
