will need to have a social securities number for whom ever they send cheques to. No cheques can be written from Prairies South schools to pay for officials.

ii. Dual Bantam/Senior or Junior/Senior Permission Form:

- A more formal way to track athletes who plays on two teams at the same time: ie. Jr/Sr, Bantam/Jr. teams. Paper work needs to be in place and signed before players can play on two teams, this does not include, bringing players up for a game, or tournament...rules are already in the constitution/by laws for these incidents.
- Change name from permission to Request form, guidelines should be attached.
- Do numbers have to be involved. i.e. volleyball if you have 8 or more players...

Roger M. will make the changes and bring the updated form to the September meeting.

Motion to Table: Morgan/Lehmann

iii. League Transfer Requests:

The issue is mostly volleyball: requests from school outside of the Moose Jaw district have gone to Larry. The procedure should be, for the requests to go to the section reps first then to Larry. Larry does contact the section reps.

7. Spring Activities

a. Badminton

i. District results (JL - senior, RM - bantam)

1. Annual Sr. championships at Peacock or Peacock/Gravelbourg
Recommendation: Keep doubles in the center courts at College Mathieu.

Bantam playoffs may need to change because of available facilities, or MJ and Gravelbourg only host Provincials. Bantam championships will be in Assiniboia.

Motion: The Sr. badminton district championships rotate between MJ and Gravelbourg only.

Lehamann/Wist

CARRIED

ii. Regional/Provincial results (RM)

b. Track & Field

i. Section meets comments (LS/RM)

Are track jersey's mandatory? Numbers are important. It would be good to see all athletes wearing their school colours. There should not be any excuse to not to have a school jersey, we do have some old jerseys in stock. (appr. 100 jerseys at Kincaid)

Motion: Track athletes must have a numbered school jersey.

Lehmann/Hutchinson

CARRIED

- Is there some athletes where seeding in provincials is affected because they run the 1500, 800 and 400, in the same day, whereas the 3000, doesn't matter for seeding purposes, it takes about 90 min. to run the 3000 the day before.
- If we switched the 1500 and 3000 it could extend the meet on Sat.
- It could help the times if someone is running the 1500, 800, and 400.
- Could run track and field over 2 days and not have a district meet, and it would be a similar set up as provincials.

Roger/Larry will consider the options and present some suggestions at the Sept. meeting.

ii. District meet comments (LS/RM)

- High jump starting heights: purple hand out

We are not consistent between the rural/city and SHSAA

Should we try to be more consistent with the heights and make the changes. Our section meet should be the same. We should either pick 10 or 15 cm below the SHSAA heights.

Motion: That the High Jump heights at section meets be 15 cm below and 10 cm below at the district from the SHSAA starting height for Provincials.

Wist/Holzer

CARRIED

Bad news: Marquis Inn let our 30 rooms we had reserved for Prov. in PA for tomorrow and Friday. Problem is SHSAA granting a Prov. competition to a city where there isn't enough hotel rooms.

Suggestion: Boycott: Best Western Hotels

iii. Aggregate Plaques (RM)

Roger hand out the aggregate plaques, we had more district records broken this year then we have had in a long time.. Some records were 30 years old.

c. Golf

i. League tournaments – Moose Jaw and Coronach done, North will be on the 11th of June in Craik.

ii. Green fees for Pr. South kids were paid for by Prairie South.

8. New Business

a. District Championship Banners: Who is this for: If schools want to order, a form will be developed. Consensus from the discussion was for white banners, and suggestions for what will be on the banner will be brought up again in the fall.

b. SHSAA AGM district gift (BB): Last year we gave a Corner gas certificates. Troy will look into Riverhurst: golf and hotel. Last year we spent \$125.00.

c. Winter Rural Section Meeting (RM):

We will need to meet at least once in the winter: Probably Jan. there seems to be a lot of things falling between the cracks because we don't get together except for Aug. and June. Suggestion that exam week may work best, as it would be easier to release teachers from the school.

9. Date and location of next meeting: Gravelbourg: Aug. Thurs. 27. @ 2:30. Jody will book the hall and supper.

10. Adjournment to SCDAAGM and awards supper:

Motion to Adjourn: Troy Wist.
